Congratulations

It is our last week in Nursery and all your teachers are so proud of you! Some of you are moving up to Nursery class and some of you are off to Reception to continue your learning journey! Those off to new school we will all miss you so much but we know you are going to have an amazing time on your new adventure!

Congratulations on all the super achievements you have made this year!

To celebrate, this week our home learning will be preparation for an end of year party on Friday. You will be making decorations, baking and thinking about your favourite memories ready to celebrate at home with your families or at school with us if you have returned.

Today you are going to begin your decorations. I would like you to make some garlands. There are many ways you could do this, you could make a paper chain with strips of paper, make bunting with triangular paper or scrap bits of materials or even a leaf or daisy chain.

Here is a keepsake you may wish to add to your decorations.....
