Monday 1st October 2018

Dear

An exciting new Family Learning Project will commence next week and we would like to offer you the opportunity to take part in it. The project will run for 6 weeks and will involve you working with your child to create some culinary masterpieces! Our family learning project will focus on 'Healthy Eating'; you will have the opportunity to work alongside your child to create a nutritional meal before going home with an ingredient goody bag and the recipe which you can use to recreate this meal at home. This project will start on Tuesday 9th October.

- Week 1 : (**Tuesday 9th October 2018 2pm – 3:15pm**) Pizza and fruit crumble
- Week 2 : (**Tuesday 16th October 2018 2pm – 3:15pm**) Cottage pie
- Week 3: (**Tuesday 23rd October 2018 2pm – 3:15pm**) Spaghetti Carbonara
- Week 4: (**Tuesday 13th November 2018 2pm – 3:15pm**) Toad in the hole
- Week 5: (**Tuesday 20th November 2018 2pm – 3:15pm**) Chicken curry
- Week 6: (**Tuesday 27th November 2018 2pm – 3:15pm**) Burgers and wedges

Mrs Statham will lead each session; the intention is to create an atmosphere that is informal and relaxed, where you and your child can share this exciting and enjoyable experience. Whilst we are aware that childcare for younger siblings may be an issue, we ask that only the parent attends to ensure full focus is given to the cooking task in hand.

If you have any questions about this project, please do not hesitate to speak to myself or Mrs Statham who will be happy to assist you, and we look forward to welcoming you into school. Please return the reply slip to secure your place.

Yours Sincerely,

Mrs J Brown
Inclusion Leader
